

The Red Card

THE OFFICIAL NEWSLETTER
OF THE WARRNAMBOOL
DISTRICT HOCKEY
ASSOCIATION
UNDER NEW MANAGEMENT

Well ladies, gentlemen, boys and girls, were off and going for another year. The juniors have already played 3 rounds and the seniors their first for 1994. What a start indeed ! Nothing but sun in the sky and heat all around. I know from my point of view standing around in gaolie gear was not the way I wanted to start and from the look on some faces around the place I was not the only one.

I probably should introduce myself and let it be known my name is Mark Bridge, and I will be writing this piece of information with the co-operation of others around the Association, and any info that you would like put into the Red Card, please put it on paper and let me have it, and "it will be done", as someone once said.

This first Red Card will be a semi serious one so that they allow me to continue on this little adventure. There will also be a few new features in this years issues. There will be player previews, a short piece by the president of the association and what ever else I decide to add.

The game results will be published, as well as a weekly review of the games and ladders. Association news and other happenings will

also make a regular appearance. But, this will only work with your help. So, pass on any information.

Lets get down to business and look at some Association news first. In case people are not aware of it, we are in need of coaches and managers for all of the country-week teams. Mens, Womens and Juniors. All interested people should put it down on paper, and hand it to the Association Secretary, or a committee person (I suggest the canteen is a good spot for that). But, you better hurry. We want this organised as soon as possible. There have also been some changes to the age limit for the juniors age group. It was 16 and under last year. It has now been changed to under 16 as at the 1st of January. Ask the coaches if you are in doubt.

Good luck to all teams.

This weeks predictions;

(Not really being an authority in this area I will try to set you all right of the trail.)

JUNIORS; In the first game I think Combine will be too strong for Marauders after a strong showing last week.

4-2 with Combine to win.

Not being bias at all Technique will account for Mariners in a close one. With tech, goal keeper hunting at the moment Mariners will have a chance, but not much.

3-2, Tech's way.

WOMENS

(Way out of my league here but I'll give it a go.)

Phantoms will make their season debut. School holidays are now finished so they should have a full team. Combine coming off a 3-0 loss last week will come out all guns firing. Welcome to the winners list Combine.

3-1 Combine.

Mariners V Tech. Tech coming off a big win and Mariners off a draw with their sister team eager for a win, Could go either way but I think Tech may be a little bit to strong and wrap this up in a high scoring 5-4

MENS

(More of an authority.)

Phantoms V Combine could be interesting, not having seen the Phantoms at work yet I can't say much about them, but I played Combine last week and if they can stop yelling at each other a bit and get some of there plays together that did not work last week they should account for our masked friends. But, There is the Adrian Marr Factor. It may not be nice to pass judgement yet, but I think he will play a big part in getting the Phantoms together this year on the field in the absence of last years leader Paul Dillon.

Technique V Mariners will mean only one thing and that is a victory to Tech. Mariners may have beaten Deakin 5-1, but I must go with last years premiers (and my team) to win this game but only in a close game. 3-2 should about do it I think. I must go with what I know. Mariners may be on a high after a big win but, it wont help them.

Just a reminder to all teams that umpires must be supplied when scheduled or a fine of \$20 per umpire will be applied. You must organise them if you can not do it.

*Just a note for goalkeepers, or coaches, if you believe that there is the need for a group coaching season on the finer points and general training methods could you please let it be known to Greg Pickett as soon as possible.

Registrations must be paid by the Thursday after you play your first game \$20 for the juniors and \$35 for the seniors. They can be paid on the day as well.

THINGS TO REMEMBER

- *Committee meeting Tuesday 10th of May
- *W.D.H.A carnival. Think about a club entry. May 29th.
- *Country-week Mens/Womens June 11th.-12th.

Just a reminder of anything that you would like put into this

association news letter speak now or forever hold your peace and I'll see about getting it put into future copies of THE RED CARD.
