**HOCKEY VICTORIA**

*Regional Survey Data*

*Warrnambool & District Hockey Association*

# Overview

This document will provide you with an overview of the survey responses from within your association.

The responses will allow you to compare your association to the overall response of regional clubs.

Please note that responses are combined for your region and will not identify specific clubs.

Hockey Victoria have also provided a summary of player participation numbers per club without your association from 2019 to 2021.
