

THE RED CARD

THE OFFICIAL NEWSLETTER
OF THE WARRNAMBOOL
DISTRICT HOCKEY
ASSOCIATION

4th day of June 1994

Welcome to another week of hockey. Last week could be considered a bad one for some people, we had visits to the hospital, we had people on the ground and we had a few on field incidents.

This week I have included a ladder and leading goal scorers that is correct and official as of the 21st of May.

ASSOCIATION NEWS

* Once again the topic of umpires has reared it's nasty head, more complaining and carry on. So someone has decided to something about it. Today at 12:30 there was a video and question session conducted by Mark Frost, who is a badged and qualified umpire. I hope that people have made use of this service provided. All clubs are asked to have people attend these things so that we can improve the standard of umpires in the association, including the people who are complaining. Mark will also be available to run with people today, just see him first before anyone else.

* This is an early reminder to everyone about the committee meeting that will be held on Tuesday, 7th of June, at 7:30. Each team MUST have at least two representatives at the meeting, other than committee members. Teams can face a fine if not represented.

* Now for the country week teams,

JUNIORS are now putting in THREE teams, one under 17 boys, one under 15 boys and one under 15 girls. All interested players are asked to put their name on the list on the notice board or ring Stewart McLean on 621593, or Greg Pickett on

614517. Training will be on Tuesday nights.

WOMEN. They are now training on Sundays, at 1:00pm. All interested are asked to turn up. Mark Frost will be in charge of the womens training, so see him if you have any problems.

MEN. I have no information on what they are doing regarding training or anything else. All I know is that all interested are asked to see Adrian Marr .

P.S. I have just been informed that Thomas Tait from Mariners is the one to see regarding Mens country week. You are asked to see him today and let him know if you are going to country week so we can see if we have a team. We need names on paper, now.....

LAST WEEKS GAMES

28-5-94

JUNIORS ROUND 9

Marauders 2 def. Technique 1

Goal scorers; Mariners

Andrew Edgar 2

Technique: Donald Hansen 1

Marauders are leading the ladder, and after results like this, they deserve it. They have lost only two games so far this season, and are two games clear at the top.

Mariners 5 def. Combine 0

Goal scorers ; Mariners

Natalie Wood 4

Daniel Carpenter 1

Well done Mariners! This young team are coming together well now. They now have their second win on the board.

WOMENS ROUND 5

Phantoms 0 drew Combine 0

This game I did not see, but it has given Combine their first points.

Technique 3 def. Mariners 0

Goal scorers; Technique

Marea Corbett 2

Leanne Forbes 1

I am not happy with the Tech. girls at the moment. last week I mentioned that the only game Tech. have scored less than 5 goals in was the first of the season. Last week they only scored 3. Granted they did win, but still....

(Just a foot note about Tech. They have only had one goal scored against them so far this year and that has come from a junior who plays for Combine. Well done Chelsea Freeman!)

MENS ROUND 8

Mariners 3 def. Phantoms 0

Goal scorers; Mariners

G.Sheill 2; T.Tait 1

Phantoms are lacking a major focal point up front. Their backline may

have the players on paper but they're not working together. Adrian Marr has not played for the last few weeks and they need a steadying force, which he is.

Technique 2 def. Combine 0

Goal scorers; Technique

Damien White 1; Terri Burke 1

This game should have been a draw. Neither side showed any sense of wanting to win and both teams had their 'messy bits' during the day till a fluke of a goal by Terri. But Tech. will take the points, thankyou very much!

THIS WEEKS GAMES

4-6-94

JUNIORS

1:30 Mariners V Technique G2

PHANTOM WOMEN TO UMPIRE

Mariners won last week, Tech. lost, so going on that form, you would have to say that Mariners will win, they could. Tech. will need to watch the Mariners little brigade. Mariners, 1-0

3:15 Marauders V Combine G3

TECH. WOMEN TO UMPIRE

Marauders had a tough win and Combine had a big loss. That tells me that Marauders will continue on their winning way with a 3-1 win.

MENS

1:30 Phantoms V Combine G1

TECHNIQUE MEN TO UMPIRE.

Phantoms are still missing that something they need to win, more goals than the other team basically, but they will give combine a run for their money this week. Combine will need to concentrate on their game and they will win 2-0.

3:15 Mariners V Technique G1

MARINERS MEN TO UMPIRE.

Always a tough game when these two teams meet, but tech are on a 7 game winning streak, and Mariners will not get in the way. Tech. will need to play better than last week to win, where as Mariner had a 3-0 win. Tech. will get the points 2-0

WOMENS

1:30 Phantom V Mariners G3

COMBINE TO UMPIRE.

Mariners had a loss to Tech. last week but still, they did play well to keep Tech. to only three goals. They will push the Phantom women all the way.

3:15 Submariners V Technique G2

MARINERS WOMEN TO UMPIRE

The last meeting between these two resulted in a big win to Tech, just ask Steph. This week will result in a win to Tech, but not by as much. Tech will only win this one 4-0

COMBINE HAVE THE BYE
